

For Immediate Release

September 28, 2011

The Centre Wellington Chamber of Commerce announces an electronic question and answer forum for the upcoming provincial election. This is duplicating a successful initiative that started with the municipal election in 2010.

Candidates from the four major parties in the riding of Wellington-Halton Hills have been invited to participate in this forum called the Online Town Hall Meeting.

The forum is moderated and will allow all citizens and businesses the opportunity to direct questions either to specific candidates or to the entire slate of candidates running for office.

On September 13, 2011, the Centre Wellington Chamber of Commerce hosted the All Candidates' Meeting at the Fergus Grand Theatre. Questions from the audience that could not be asked that night have been posted on the electronic forum for an answer from the candidates.

The objective is to provide a meaningful exchange of information between all parties, which will allow each candidate the opportunity to outline why they will be the best choice for the future development of the community.
